Would you please inform the

Thanks.

DIRECTOR OF CENTRAL INTELLIGENCE

**Security Committee**

SECOM D-556

25 JUN 1979

MEMORANDUM FOR: Mr. Walter Elder  
Executive Secretary  
National Foreign Intelligence Board

VIA: Office of General Counsel

FROM: Robert W. Gambino  
Chairman

SUBJECT: Proposed Annex to DCID 1/14  
Guidelines for the Development of  
SCI Appeals Procedures

1. A proposed annex to DCID 1/14 to establish guidelines for the development of SCI appeals procedures was submitted to the SECOM members for written concurrence or comments in January. Three member agencies, while concurring in substance, provided comments which have been incorporated into the attached draft and provide for greater clarity and internal consistency. One SECOM member withheld concurrence - all of the others concurred in the draft as written. The one non-concurring member has reviewed the attached draft and still takes the position that there has not been a determination that the establishment of such procedures are either desirable or necessary.

2. The Office of General Counsel participated in the development and drafting of this annex. The Office of General Counsel, Department of Justice has submitted written comments which conclude that the proposed procedures are legally sufficient.

3. It is requested that you obtain NFIB telephonic concurrence for the publication of this annex.

4. Please contact [redacted] if you have any questions concerning this matter.

Robert W. Gambino
